**Event Question:** Will [expiration MMM-YY] CME E-mini Nasdaq-100 Index Futures settle above [$####.##] on [date]? [1,2]

**Product Code:** FNQ

**Instructions:** US Tech 100 Forecast Contracts settle based on the daily settlement price of the Chicago Mercantile Exchange ("CME") E-Mini Nasdaq-100 Futures ("Nasdaq-100 futures"). US Tech 100 Forecast Contracts resolve contracts based upon the daily settlement price of the lead month of Nasdaq-100 futures.. On days where the lead month goes through final settlement at CME, ForecastEx will resolve contracts based upon the daily settlement price of the second month of Nasdaq-100 futures. This contract is not subject to early Resolution.

**Underlying:** The contract is resolved based on the official daily settlement price published by the CME for Nasdaq-100 futures. CME, in accordance with CFTC Regulation 16.01(e)(2), makes it daily settlement prices publicly available via a daily bulletin on the business day following the day to which the information pertains. The final version of the daily bulletin for the previous day is made available at 10:00am CT. The portion of the most recent daily bulletin which concerns Nasdaq 100 Futures contracts can be found here. The Nasdaq-100 futures settlement price will be in the first table of the file, "EMINI NASD FUT," and the front month will be referenced as the first contract listed, while the second month will be referenced as the second contract listed. The settlement price is the first number listed under the heading "SETT. PRICE & PT. CHGE." Links are provided for informational purposes only and the source agency may decide to publish the resolution data at a different location at any time. ForecastEx will resolve the contract using the official CME settlement data, regardless of its location or format.

**Resolution Time:** 10:00 AM CT when CME publishes the final daily bulletin.

**Changes in Resolution Time:** The Resolution Time of a Forecast Contract is dependent on the time that the Source Agency releases the Underlying data. There are circumstances in which ForecastEx will change the Resolution Time of a Contract as described below:

1. **Delay by Source Agency:** If the Source Agency delays the release of the underlying data required for Resolution, ForecastEx will delay the Resolution Time of the Contract until such data is released. In these circumstances, ForecastEx will release a public notice to its website informing Market Participants that the Resolution of the Contract has been delayed and release a second notice to its website informing Market Participants when the Contract is resolved.

2. **Change in Release Schedule:** ForecastEx sets the Resolution Time of each Contract based on either the published or anticipated release schedule of the Source Agency for the underlying data. If the Source Agency amends its release schedule or announces that it will publish the underlying data at a different time than anticipated, ForecastEx may amend the Resolution Time of the Contract to match the updated release schedule when doing so is necessary to ensure the accurate and fair resolution of the contract. In these circumstances, ForecastEx will publish a public notice to its website informing Market Participants of the revised Resolution Time.

3. **Event Review Process:** In accordance with ForecastEx Rule 415, ForecastEx may, at its sole discretion, initiate the event review process prior to Settlement which may delay the Resolution of a Contract. In these cases, ForecastEx will publish a public notice to its website informing Market Participants that the Contract's Outcome is under review.

4. **Early Resolution:** If a Forecast Contract Resolves based on whether a specific event occurs before a defined point in time, it will be subject to early resolution. For these Contracts, if the Outcome of the contract becomes determinable prior to the scheduled Resolution Time – either because the event has occurred (resolving "Yes") or because it can no longer occur (resolving "No") – ForecastEx will accelerate the Resolution Time of the Contract in accordance with ForecastEx Rule 413. Whether or not this Contract is subject to early resolution is specified in the Instructions section.

**Expiration Time:** Same as Resolution time.

**Settlement Time:** In accordance with ForecastEx Rule 603(b)(3), settlement will occur at 1:00 PM CT on the day of resolution if the Resolution Time is before 12:00 PM CT. If the Resolution Time is at or after 12:00 PM CT, settlement will occur at 1:00 PM CT the day following resolution.
