

ITNVD Contract Terms and Conditions

Sample Question: Will NVIDIA Corporation report that “Inference” revenue exceeded “Training” revenue within its Data Center segment for any fiscal quarter ending in calendar year [year]?

Product Code: ITNVD

Instructions: The Earnings Press Releases, prepared CFO or CEO Commentary, and Form 10-Q / Form 10K filings are published by NVIDIA Corporation in connection with its quarterly earnings announcements, which are released following the end of each fiscal quarter. A schedule of expected earnings release dates is available on NVIDIA Corporation’s investor relations [website](#). This contract is subject to early Resolution.

Underlying: The NVIDIA Revenue Breakdown Forecast Contract is resolved based upon the publication of an explicit statement by NVIDIA Corporation, within its official quarterly earnings press releases, Form 10Q or Form 10-K filings, or accompanying prepared CFO or CEO earnings commentary, stating that inference-related revenue either constituted a majority of, or exceeded, training-related revenue within the Data Center segment for any fiscal quarter ending in the specified calendar year. The underlying information may be accessed through NVIDIA Corporation’s investor relations [website](#), where Earnings Press Releases, prepared CFO or CEO commentary, and Form 10-Q / Form 10-K filings are made available. From the source page, users should select “All Documents,” navigate to the applicable calendar year, and select the relevant fiscal quarter. Resolution-relevant disclosures are typically located within the “Data Center” or “Financial Commentary” sections of NVIDIA’s official earnings materials.

If NVIDIA Corporation does not provide an explicit qualitative or quantitative statement indicating that inference-related revenue constituted a majority of, exceeded fifty percent of, or otherwise exceeded trainingrelated revenue within its Data Center segment for any eligible fiscal quarter, the contract shall resolve as “No”. Links are provided for informational purposes only, and NVIDIA Corporation may publish its disclosures at a different location at any time.

Changes in Resolution Time: The Resolution Time of a Forecast Contract is dependent on the time that the Source Agency releases the Underlying data. There are circumstances in which ForecastEx will change the Resolution Time of a Contract as described below:

1. **Delay by Source Agency:** If the Source Agency delays the release of the underlying data required for Resolution, ForecastEx will delay the Resolution Time of the Contract until such data is released. In these circumstances, ForecastEx will release a public notice to its website informing Market Participants that the Resolution of the Contract has been delayed and release a second notice to its website informing Market Participants when the Contract is resolved.
2. **Change in Release Schedule:** ForecastEx sets the Resolution Time of each Contract based on either the published or anticipated release schedule of the Source Agency for the underlying data. If the Source Agency amends its release schedule or announces that it will publish the underlying data at a different time than anticipated, ForecastEx may, at its sole discretion, amend the Resolution Time of the Contract to match the updated release schedule when doing so is necessary to ensure the accurate and fair resolution of the contract. In these circumstances, ForecastEx will publish a public notice to its website informing Market Participants of the revised Resolution Time.
3. **Event Review Process:** In accordance with ForecastEx Rule 415, ForecastEx may, at its sole discretion, initiate the event review process prior to Settlement which may delay the Resolution of a Contract. In these cases, ForecastEx will publish a public notice to its website informing Market Participants that the Contract’s Outcome is under review.
4. **Early Resolution:** If a Forecast Contract Resolves based on whether a specific event occurs before a defined point in time, it will be subject to early resolution. For these Contracts, if the Outcome of the contract becomes determinable prior to the scheduled Resolution Time – either because the event has occurred (resolving “Yes”) or because it can no longer occur (resolving “No”) – ForecastEx may, at its sole discretion, accelerate the Resolution Time of the Contract in accordance with ForecastEx Rule 413. Whether or not this Contract is subject to early resolution is specified in the Instructions section.

Expiration Time: Same as Resolution time.

Settlement Date: Unless the Outcome of the Contract is under review in accordance with ForecastEx Rule 415, Settlement of the Contract will occur no later than the day following Expiration Time.

Trading Restrictions: In accordance with ForecastEx Rule 509(h), persons are prohibited from participating in NVIDIA Revenue Breakdown Forecast Contracts if they: possess any material non-public information regarding the Contract, are employees of the Source agency, or are decisionmakers, who directly or indirectly have any influence on the Outcome of the Contract.
