UBERT Contract Terms and Conditions

Sample Question: Will Uber trips exceed [###] in [quarter]?

Variables: [###]: The specified threshold number of completed Uber trips. [quarter]: The fiscal quarter during which the total number of completed Uber trips is measured, as reported by Uber. **Product Code:** UBERT

Instructions: The 10-K/10-Qs reports are published by Uber Technologies, Inc ("Uber") on a quarterly basis. The specific release date is publicly announced by Uber in advance of publication, typically several weeks prior to release. This Contract is not subject to early Resolution.

Underlying: The Uber Trips Forecast Contract is resolved based upon the total number of completed Uber trips during the specified quarter, as reported in Uber Technologies, Inc.'s official SEC filings (Form 10-Q or Form 10-K). The Underlying may be accessed on the official Uber website here, where the 10-K/10-Qs reports are publicly available. The relevant value is typically disclosed within the body of the report in the section presenting quarterly operating metrics. The Underlying is typically accessible under the "SEC Filings" section, where users may select the applicable reporting period and corresponding filing (either "Annual Filings" for Form 10-K or "Quarterly Filings" for Form 10-Q). The "Trips" metric is currently reported within the "Certain Key Metrics and Non-GAAP Financial Measures" section of the filing. Links are provided for informational purposes only and the source agency may decide to publish the data at a different location at any time.

If the metric is no longer reported in the Uber 10-K/10-Qs reports, the backup source will be the "Reports and Presentations" section on the same financial reporting webpage, where the relevant value may be disclosed in the quarterly earnings press release, typically within a section titled "Financial and Operational Highlights" for the applicable quarter. If the metric is not published in either source, the Contract will resolve in accordance with ForecastEx Rule 415.

Source Agency: Uber Technologies, Inc

Minimum Tick: The Minimum Tick size for the referred Contract shall be $0.01.

Listing Cycle: ForecastEx will list Contract expirations at its discretion.

Thresholds: For each Contract expiration, thresholds will be listed at ForecastEx's discretion.

Position Accountability: The position accountability level is 250,000 Contracts in any one Forecast Market.

Last Trading Time: Same as Resolution Time.

Payout Criteria: The Settlement Value of each Contract is $1.00 or $0.00 depending on the Outcome of the Contract. If the Outcome of the Contract is "Yes", then holders of the "Yes" Position will be entitled to receive the Settlement Value of $1.00 per contract and holders of the “No” Position will receive $0.00. If the Outcome of the Contract is “No”, then holders of the “No” Position will be entitled to receive the Settlement Value of $1.00 per contract and holders of the “Yes” Position will receive $0.00.

Resolution Time: The time at which Uber Technologies, Inc. publicly releases its Form 10-Q or Form 10-K.

Changes in Resolution Time: The Resolution Time of a Forecast Contract is dependent on the time that the Source Agency releases the Underlying data. There are circumstances in which ForecastEx will change the Resolution Time of a Contract as described below:

1. **Delay by Source Agency:** If the Source Agency delays the release of the underlying data required for Resolution, ForecastEx will delay the Resolution Time of the Contract until such data is released. In these circumstances, ForecastEx will release a public notice to its website informing Market Participants that the Resolution of the Contract has been delayed and release a second notice to its website informing Market Participants when the Contract is resolved.

2. **Change in Release Schedule:** ForecastEx sets the Resolution Time of each Contract based on either the published or anticipated release schedule of the Source Agency for the underlying data. If the Source Agency amends its release schedule or announces that it will publish the underlying data at a different time than anticipated, ForecastEx may, at its sole discretion, amend the Resolution Time of the Contract to match the updated release schedule when doing so is necessary to ensure the accurate and fair resolution of the contract. In these circumstances, ForecastEx will publish a public notice to its website informing Market Participants of the revised Resolution Time.

3. **Event Review Process:** In accordance with ForecastEx Rule 415, ForecastEx may, at its sole discretion, initiate the event review process prior to Settlement which may delay the Resolution of a Contract. In these cases, ForecastEx will publish a public notice to its website informing Market Participants that the Contract’s Outcome is under review.

4. **Early Resolution:** If a Forecast Contract Resolves based on whether a specific event occurs before a defined point in time, it will be subject to early resolution. For these Contracts, if the Outcome of the contract becomes determinable prior to the scheduled Resolution Time – either because the event has occurred (resolving “Yes”) or because it can no longer occur (resolving “No”) – ForecastEx may, at its sole discretion, accelerate the Resolution Time of the Contract in accordance with ForecastEx Rule 413. Whether or not this Contract is subject to early resolution is specified in the Instructions section.

Expiration Time: Same as Resolution time.

Settlement Date: Unless the Outcome of the Contract is under review in accordance with ForecastEx Rule 415, Settlement of the Contract will occur no later than the day following Expiration Time.

Trading Restrictions: In accordance with ForecastEx Rule 509(h), persons are prohibited from participating in Uber Trips Forecast Contracts if they: possess any material non-public information regarding the Contract, are employees of the Source agency, or are decisionmakers, who directly or indirectly have any influence on the Outcome of the Contract.
